

ENVIRONMENTAL PROJECT 5TH GRADE

TEACHER MRS APOSTOLAKI ALIKI

{Keep the school}

I love the sea and the beaches. They're so beautiful! But they are full of plastic bags and bottles. How many sea animals die each year because of this? Do you know?

SAVE ENERGY

Let's all work to make
our planet a better place.
We can save energy by
using it in smart ways.

GO GREEN!
Use E-Recycle

Our planet is
in danger!

REDUCE REUSE RECYCLE

Different Countries
Different problems

-ACT NOW

1. Protect the forests
2. Conserve water
3. Put litter in the bin
4. Recycle

ANIMALS

Don't

clean!

be as beautiful as
butterflies. How many
of this?

RECYCLING DON'T LITTER!
